All State

From this All Star list, the OTCA selection committee will meet to determine the top players to be included in the OCA All State match. Only senior players nominated by their coach may be considered for All State if they have been a state champion or finished in the above criteria at the state tournament any time in their career. Ten boys and ten girls from the east will be selected and the same amount from the west. All three classes will be represented with a minimum of two from each class as long as each player from each class meets the criteria outlined in becoming an All Stater. The other players would be at-large players with the OTCA Advisory Board deciding by vote who those players would be. The requirement that only two players from a school can be an All Stater is still in effect. Alternates will also be chosen. The dividing line to determine east-west will be the OCA regions 1-4-5-8 West and 2-3-6-7 East.

Nomination forms will be mailed from the OCA office to all head coaches who are members of the Oklahoma Coaches Association and **only** these coaches can nominate players. These forms must be signed by the head coach. **Nomination form deadline for girls is May 6, 2017 and for boys is May 13, 2017.** These forms are to be given to their selection committee member at the state tournament on the deadline dates. A press release of the All State players will be mailed from the OCA office.

If, in a given year, not enough seniors meet the All Star criteria, the selection committee will make the selection based on the best available information.
