1. There will be a committee of two (2) board members and three (3) selected coaches for small school and two (2) board members and four (4) selected coaches for large school (each of the different coaches will represent a different class and a different region). We would like to make sure each class, as well as each region is represented on the selection committee; each committee should have one (1) rep from each class and all four (4) regions should be represented.

2. The two board members to be working together will be determined at the winter OBCA meeting.

3. All four regions will be represented on the selection committee for each of the All State teams, with the exception of regions 7 & 8 in small school representation. Region 7 will combine with region 3 and region 8 will combine with region 1.

4. Members of each selection committee will be picked to avoid conflict of having an All State nominee in their region from their own team, and can not vote for their own player. A coach MUST leave the room when their player’s position is being discussed.

5. All members of the selection committee must have at least three (3) years of head coach experience before being selected.

6. No more than two (2) players from any one school can be on the All State team, but may also have an alternate All State athlete. There must be at least one (1) player from each class selected for the All State team.

7. **Total of 3 nominees only per school.**

8. Positions for the All State team are: C - C - 1B - IF - IF - IF - OF - OF - OF - OF - P - P - P - P - DH - UT (14 total). This adds a DH and UT position and eliminates an OF and an IF position. The DH and UT players will be selected from the remaining nominees at the conclusion of all other positions being selected.

9. The Regional selection committee will send players as a recommendation for the final selection committee. When a player from a region is selected, another player from that region will replace the selected player.

10. All alternates will be listed by position only and ranked in that order.

11. Any replacements will come from the alternate list for that position only.

12. The selection committees will meet on the date and site set by the Executive Director of the Oklahoma Coaches Association. The regional selection committees for the West Large and Small schools will meet on Thursday, May 29th with the West Large and Small school final committees meeting immediately afterward. The regional committees for the East Large and Small schools will meet on Friday, May 30th with the East Large and Small school final committees meeting immediately afterward. Regional meetings will begin at 9:00 a.m. at the OCA building at 8080 Crystal Park Dr., OKC.

13. All expenses for All State selection committees will be borne by the OBCA, as per agreement.
